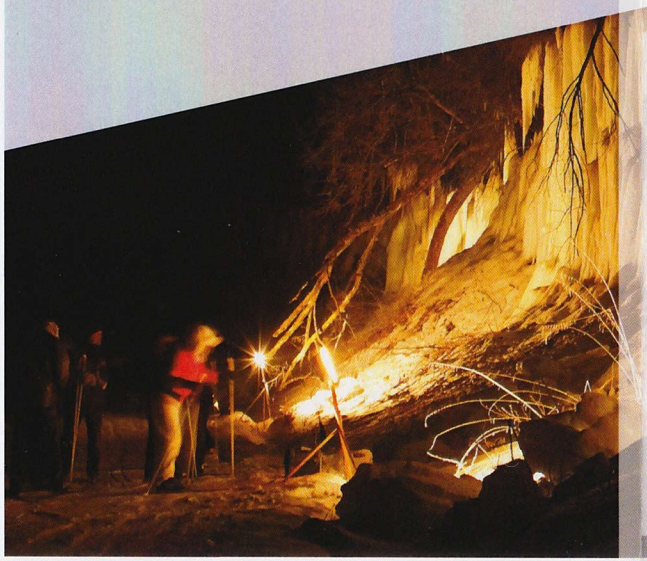
Who We Are

The Friends of the Red Cedar State Trail/ Hoffman Hills is a 501(c)(3) non-profit organization for the charitable and educational purpose of supporting, assisting, and promoting the Wisconsin Department of Natural Resources with interpretive, scientific, historical, education and related visitor services at the Red Cedar State Trail and Hoffman Hills, Dunn County, Wisconsin. The membership group is led by a volunteer board. The board meets in January, March, May, September, and November with an annual meeting held in the Fall. The Friends of the Red Cedar State Trail and Hoffman Hills is part of a state-wide network of citizen groups who have adopted state parks and trails in order to support facility improvements, expand programs and stay informed about natural resources topics.



Projects

Projects are funded through memberships, matching grants from the Knowles-Nelson Stewardship grant program, and by volunteer hours.

A partial list of projects include:

- Improvements and remodel of Depot
- Improvements at Hoffman Hills
- Perennial garden plantings
- Wildflower and Oak Savanna projects at Hoffman Hills
- Purchase of bike pump stations (with Menomonie Rotary Club)
- Purchase of grooming equipment for Hoffman Hills

Future priority projects include:

- Replace grooming equipment for Red Cedar State Trail
- Provide educational programs

Events

- Candlelight ski on the last Friday in January in collaboration with the DNR, Mayo Health Clinic, Swiss Miss, and Lucette. Over 500 people from northwest WI enjoy this event.
- National Trails Day activities the first Saturday in June.
- Earth Day program for middle and high school students.
