

*Friends of the
Red Cedar State Trail & Hoffman Hills*

ANNUAL MEETING

EVERYONE IS WELCOME

**Guest Speaker:
Jim Schwiebert, Naturalist
Beaver Creek Reserve**

Subject: Butterfly Gardening

Jim will talk about the life cycle of a butterfly, host plants versus nectar plants, food sources for adult butterflies as well as other needs. He will point out some things to consider when choosing plants to attract butterflies. Also, he'll take an in-depth look at specific native butterflies and their host plants.

June 10, 2008
